

13-4-5 Roads

13-4-5-1 Residential (minor) roads within the subdivision shall have a right of-way width or not less than 60 feet.

13-4-5-2 Collector and arterial roads shall have a right-of-way width of not less than 80 feet or as set forth on the Major Street Plan whichever is greater.

13-4-5-3 All roads shall be designed to provide for safe and convenient access to adjacent property and for snow removal and the disposition of surface water. The layout and improvement of all roads shall be in accordance with the applicable cross-section and construction standards of the County. (*Res. 10-3-84-A*)
